Dear Sir,

With reference to our earlier discussions regarding the redevelopment feasibility of NBC Complex, we would like to inform you that detailed architectural and planning drawings have been prepared considering the permissible development potential based on a proposed building height of **75 meters**.

Accordingly, all participating developers were requested to submit their revised commercial offers based on the updated development parameters. We have now received the revised proposals from the bidders.

In view of the above, we request the Managing Committee along with interested and concerned members of the Society to attend a meeting for **evaluation and discussion of the revised developer offers** as per the updated scheme.

Meeting Details:**Date:** 16 June 2026 (Tuesday)**Time:** 3:00 PM**Venue:** Dimensions Architects Pvt. Ltd. Office

Your presence and valuable inputs will help in a transparent and informed evaluation of the proposals received from the developers.

Thanks & Regards,
